Please complete this form and send it by email to :
Sonderbestellservice@louis.de

We will process your order as quickly as possible.

If you're unsure about anything, don't hesitate to contact our Technical Support by mail at any time:

Technikcenter@louis.de

Or, if you prefer, you can go to your local Louis store and ask one of our service staff for assistance with completing the configuration for your order. Louis stores have a range of colour samples for you to look at and choose from.

Information about cancelling your order:
Please be aware that Raximo Lever Guard Sets are specially assembled in Germany to customer specifications. This means that they cannot be returned.

For more information see Item I 9.2 Exceptions to the right of cancellation in our Standard Terms and Conditions under T&Cs.

About our Privacy Policy:
The personal data which you provide to us is used for processing your order. In line with the rule of balancing interests (Art. 6 (1f) GDPR), we use your data to keep our customer master data up to date. To find out more about our privacy policy, please go to <https://www.louis.eu/datenschutz>. You can withdraw your consent to receiving advertising and promotions at any time without giving a reason via the individual advertisements, by sending an email to service@louis.eu.
